At Blyth we provide a rich learning environment where students learn both from our teachers and from the guided collaborative work they do in our programs.

We are proud to share this environment with our current and future students, alumni and family members by featuring students and their work on our websites and in other electronic and print media, as well as in presentations, open houses, student introduction nights and the like.

To assist in carrying out, enriching, developing and publicizing our programs we request the following consents from you and your parents or guardians.

1. (b) I authorize Blyth to include or display recordings of me in promotional material that appears in physical or electronic media (including but not limited to print, radio, television, websites or emails) presented outside the Blyth community, which I understand will be used only in relation to Blyth educational programs.

If you do not agree, it is your responsibility to identify yourself to the photographer or videographer, and temporarily remove yourself from situations in which recordings are being made.
